

2015 PAYSPI Youth Suicide PSA Contest Results

In an effort to be fully transparent with the voting process, we have detailed how the final voting for the 2015 PSA contest was computed.

Scoring:

1. PAYSPI Executive Committee and Advisory Board members voted on all submissions. Their vote narrowed down the entries to the finalists. The remaining entries were rank ordered, based on number of votes by the PAYSPI committee members.
2. Finalists were entered into public voting. Regardless of how many votes were received, the finalists were rank ordered, based on the total number of votes they received.
3. The rank orders from the PAYSPI and public voting were averaged. The lowest average is the winner.
4. In the event of a tie when the rank orders were averaged, the PAYSPI voting determines the final order.

Here are the results:

Poster

Place	Name of School	PAYSPI Rank	Public Rank	Average
1	James M. Coughlin High School	1	1	1
2	Lenape Tech	2	3	2.5
3	Brentwood High School	3	2	2.5
4	Bermudian Springs High School	4	4	4
